

Unlock the Opportunity of Education

The Sujeeth Foundation is dedicated to helping students network into their first job through mentorship and resources.

We partner students with mentors for a six-week program that encourages agency in career development.

 **by Avi Sujeeth**

About Our Mission

Who We Are

A non-profit organization dedicated to unlocking educational opportunities for all students.

What We Do

Partner students with mentors for a six-week career development program.

Why We Do It

To help students access the abundant growth opportunities in academic institutions.

Since When

Launched May 2023, currently partnered with the University of Missouri.

Join Our Mission

For Students

Gain valuable mentorship and career guidance to prepare for professional success after graduation.

For Mentors

Share your expertise and make a meaningful impact on the next generation of professionals.

For Institutions

Partner with us to enhance your career services and improve graduate employment outcomes.

The Sujeeth Foundation's Career Circle Program addresses underemployment by providing structured guidance throughout the job search process.
